

IT'S SPRING CLEANING TIME!

Join Your Neighbors and Local Watershed Group For a Stream Cleanup of Whetstone Run tributary at Kelley Park

Located in the Saybrooke Community, Gaithersburg

Sunday, April 8, 2018

Meet at 9:00 am at the Kelley Park parking lot on Victory Farm Drive.

Plastic trash bags, recycle bags, gloves and trash grabbers will be provided by the Alice Ferguson Foundation and the City of Gaithersburg. All ages are welcome (young children must be supervised). No RSVP needed. **SSL hours are available**

Help keep the waterways free of trash!

Removing trash from our local stream improves the water quality that flows into Whetstone Run, to Seneca Creek, to the Potomac River, to Chesapeake Bay, and finally to the Atlantic Ocean. Plastic debris travels thousands of miles into the ocean currents and has become a serious water pollution problem.

Seneca Creek Watershed Partners and The Muddy Branch Alliance are local non-profit watershed groups helping this clean-up as part of a larger Potomac River cleanup sponsored annually by the Alice Ferguson Foundation.

For more information contact AFF at (301) 292-5665, Deby Sarabia (505) 412-1827 or Ann Smith at (240) 449-7597
